

**Curriculum Guide**  
**First Intermediate Level 201<sup>v</sup>/201<sup>v</sup>**

Months	Lessons	Number of Lessons	Comments
September	Diagnostic test	1	<p>In addition to the textbook lessons, teachers have to take into consideration the following:</p> <ul style="list-style-type: none"> <li>• Oxford Readers (Ten chapters)</li> <li>• Workbook check-up</li> <li>• Monthly quizzes (including all the skills and areas of knowledge)</li> <li>• Project Preparation and Presentation (Students have to present their works in class)</li> <li>• Portfolio Assessment</li> </ul> <p><b>N.B:</b> 1- Teachers have the right to modify this guide after consulting their senior teachers.            2- The number of periods allocated to each lesson is approximate. Therefore, some lessons may require more time. Others, however, may require only one period. It is the responsibility of the teacher to cover all the material and all the lessons.</p>
